

STREETPRO SINGLE ACTION LITTER PICKER 33"

OST-18060

33 inch (84cm) long litter picker, with light but strong aluminium body, soft-grip moulded handle for user comfort and responsive overmolded jaw with teeth. This product features a superb slip resistant grip, even for very small items.

- ▶ Metal clasp on the string to ensure that it doesn't loosen over time
- ▶ Roller at the trigger end to allow a smooth trigger action
- ▶ Upgraded widened trigger to reduce flex
