

TG1240

TG1240 is a high performing 15gg cut level A glove with a high tenacity nylon liner and a palm dipped MicroDex Ultra coating, providing excellent grip in wet, dry and oily conditions.

Treated with our Life Extending Technology for extra longevity and enhanced resistance to oil, dirt and water. Also features a thumb crotch to extend the wear life of the glove.

The LXT range is certified as carbon neutral from cradle to grave. This means that at no extra cost, your LXT glove has helped to lessen it's impact on the environment.

Ideal for

- Automotive
- Construction and utility
- Engineering and manufacturing
- Mechanical and electrical
- Oil and gas
- Waste, recycling and local authority
